Ref: **FINANCIAL ALLOCATION FOR EIGHT SHOPP PROJECTS**
RESOLUTION FP-03-

Attached is a list of eight (8) State Highway Operation Protection Program (SHOPP) projects totaling \$24,333,000, plus \$1,550,000 contributions from other sources.

These projects were previously included in the California Transportation Commission's adopted FY 2003-04 SHOPP Allocation Plan. Amendments to add new safety and emergency projects have increased the funding need to over the \$800 million limit, moving these projects below the line.

The Department of Transportation (Department) cannot recommend allocation because of uncertainties in the current cash forecast.

The Department has complied with the National Environmental Policy Act and the California Environmental Quality Act requirements in preparing these projects.
